

Community and Service User Comments on tentative goals for 2010 to 2013

Instructions: Please feel free to comment on each of the 'Identified Priorities' below - or add new ones and comment on those. If you would like to rank the priorities (ie: #1, #2, etc) you may do that as well. Please feel free to write on the back. You do not need to sign your name – it is your choice. Please return this completed form to our office. Call us if you have any questions at all.

Increase community awareness

Show proactive leadership in mental health services

Accreditation of the agency

Inter-agency awareness between health providers

Board governance improvements

Rapport building with the LHINs

Successfully deal with increased numbers of eligible referrals

Budgets and issues around limited funds

More housing units

Physical health issues for service users

Collaboration and forced integration or mergers

Any others that YOU can think of (that have been missed)?
